

To our valued clients,

The Delaney Group, Inc. is pleased to announce that we are beginning a process to change our name to Tetra Tech Construction. You will soon start to see certain cosmetic changes to our materials such as a new logo on our signs and in the communications that you receive from our company.

Since 2007, The Delaney Group has served clients as a wholly-owned subsidiary of Tetra Tech, a leading provider of consulting, engineering, and technical services with 13,000 employees and 330 offices worldwide.

As Tetra Tech Construction, our staff will continue to provide the expertise, responsiveness, and value upon which your firm relies, while more closely aligning with the nationally recognized and respected brand of Tetra Tech (NASDAQ: TTEK).

Our commitment to our clients and community are of utmost importance. We will continue to deliver quality projects within budget and on time.

We look forward to continuing our relationship with you as Tetra Tech Construction. Should you have any questions regarding this matter, please feel free to contact me at 518-661-5304, ext. 217.

Sincerely,
